NOW HOME TO SANTOVA SINGAPORE!

SANTOVA ACQUIRES ASM LOGISTICS (S) PTE. LTD. IN SINGAPORE.

With operational activities in Singapore, Hong Kong, Indonesia, Malaysia, Thailand and Vietnam, ASM Logistics - a supply chain logistic company incorporated in 2009 - provides the Santova Group with a platform to share in the growth of South East Asia.

Its strategic location allows Santova to entrench itself further in Asia, while having better control of the supply chain (end-to-end) and boasting a greater global presence (in a fast-growing economic region) in the face of continued globalisation of multinational companies.

As companies continue seeking worldwide sourcing and distribution of products in multiple markets, they require extensive, sophisticated operational and logistic solutions across geographies. Santova is ready to deliver.

20 OFFICES IN 9 COUNTRIES - South Africa, Mauritius, Australia, Germany, the Netherlands, United Kingdom, Hong Kong, Mainland China and Singapore.
